Minutes of the last AGM and Matters Arising

The minutes of the last AGM were approved. There were no matters arising.

Chairman's Report

The acting chairman Karen Austin thanked the previous chairman Tony Hawkins who had resigned in the summer.

Secretary's Report

The Secretary's report had appeared in the last edition of The Forlorn Hope.

Treasurers Report

The Treasurer gave her report which was accepted.

It was agreed that although the Assembly House was expensive there was nowhere else in the City Centre with parking etc, that was suitable.

The meeting approved the donation of £200 for the Assandon project but Derek Twigg proposed there be no more donations unless there was a minimum of £500 in reserve. This was agreed.

Election of Officers

A proposal had been received to nominate Karen Austin as Chairman. This was proposed by Michael Rayner, seconded by Mr P J Martin and was accepted in writing by Karen Austin.

All other officers were willing to serve again.

Shared date for AGM

There was positive feedback to this new idea. If possible it will become the norm but at this moment no one is aware of Richard III Society reaction.

Any other business

It was asked what rules the Trust had in place governing possible shared meetings ie such had been held with the Richard III Society. The Secretary was unaware of any rules but had reported the problems such a meeting had generated in the past.

There was a vote of thanks for Annmarie and Karen.

There being no further business the meeting was closed at 1.50.
